Grand Total	166.73	61.30	105.43	36.80%

Notes:
"Committed" means road segments with existing facilities or funded for design and construction. Only properly safe infrastructure counts. (Protected lanes, trails, & calm streets)

Exact routing is not to be treated as final, but just as a rough concept. Consideration was made to maximize the usage of existing and planned infrastructure.

Connecting routes in St. Louis County and Illinois are shown in dark brown.

Route Number	Route Name	Total Miles	Miles Committed	Miles Uncommitted	% Complete	Estimated Cost Range from cost breakdown on right		Average Cost per Mile		Uncommitted Mileage breakdown by cost category					
						Low (75%)	High (125%)			Quick Build $400K/mi	Greenway $500K/mi (local cost)	MUP/Raised $1.45M/mi (local cost)	Calm Street $500K/mi	"Slow Build" On-Street $800K/mi	Paint & Signage $35K/mi
